

Amasty extensions updates – August 2015

[Ksenia Dobрева](#) Aug 27, 2015

Marching to August updates! Here's what we've done to make our Magento extensions better.

Multiple Coupons 1.3.0

- Now it's possible to apply and remove multiple coupons in the admin area
- New setting “Maximum number of coupons for order” introduced

Multiple Coupons		
Unique codes	<input type="text" value="111, 222,5ABCD, BIG2"/>	[STORE VIEW]
	▲ If some other codes from the list is applied, all other coupons will be removed	
Allow several coupons from the same rule	<input type="text" value="No"/>	[STORE VIEW]
Maximum number of coupons for order	<input type="text" value="1"/>	[STORE VIEW]
	▲ 0 - no limit	

- It's possible to allow or restrict multiple coupons from one rule per individual rule

The extension had this general setting (available in the general config tab)

before. Now it appeared for each individual rule as well.

Public In RSS Feed

Allow several coupons from the same rule

▲ To enable this setting please go to [System -> Configuration -> Multiple Coupons](#) and set 'Allow several coupons from the same rule' option to 'No'

Shipping Restrictions 1.1.5

- New tab for coupons

Rule Configuration

- Restrictions
- Apply Restriction**
- Days and Time
- Stores & Customer Groups
- Conditions

Edit Rule '10 days after cart creation'

Back Reset Delete Save Save and Continue Edit

Apply Restrictions Only With

Coupon Code

▲ Apply this restriction with coupon only. You should configure coupon in [Promotions / Shopping Cart Rules](#) area first.

Shopping Cart Rule (discount)

▲ Apply this restriction with ANY coupon from specified discount rule. You should configure the rule in [Promotions / Shopping Cart Price Rules](#) area first. Useful when you have MULTIPLE coupons in one rule.

Do NOT Apply Restrictions With

Coupon code

▲ Not apply this restriction with coupon. You should configure coupon in [Promotions / Shopping Cart Rules](#) area first.

Shopping Cart Rule (discount)

▲ Not apply this restriction with ANY coupon from specified discount rule. You should configure the rule in [Promotions / Shopping Cart Price Rules](#) area first. Useful when you have MULTIPLE coupons in one rule.

- Option to restrict shipping with coupon and vice versa allow shipping with coupon

Status

Restrict Shipping Methods

▲ One method name per line, e.g Next Day Air

Restrict ALL METHODS from Carriers

▲ Select if you want to restrict ALL methods from the given carriers

Error Message

Free Gift 2.1.0, Auto Add Promo Items 2.1.0

- Setting to open free item popup automatically on shopping cart page
- New setting “Show Popup on Checkout Page”

Open Popup Automatically [STORE VIEW]
▲ Always open free gift popup on cart page if any free gift is available

Show Popup on Checkout Page [STORE VIEW]

- Popup window now works on mobile devices
- Fixed reorder for orders with free gifts

- Add store view selector to shopping cart rules
- Better Full Page Cache compatibility

Store Locator 1.3.1

- Added clusters (groups of markers) to Google Map

Numerous offline stores are good for business but too many markers on the map cause visual overload provide poor interaction with the map. The information on the map needs to be simple and easy to use for your customers. Intelligent automatic map clustering will take care of it. Now the areas with numerous stores close together are highlighted in colors. Map targeting has never been easier!
