

Amasty Extensions Updates – August 2017

[Alexandra Zhos](#) Aug 31, 2017

This month we've started preparing for Magento 2.2 release. So that we've been testing our extensions for compatibility with this upcoming version to be sure that everything will perform smoothly and without any bugs. As always, we prepared a full list of all updates that we've made for the last month.

Magento 1

[Improved Layered Navigation 3.3.0](#)

- A filter `Is New` was added
- Now `Image-Related Attributes` setting works for the mapping options as well
- Ability to sort mapping options by position was made
- Several filters performance was improved

Abandoned Cart Emails 1.15.2
