

Amasty extensions updates – March 2015

[Ksenia Dobreva](#) Mar 26, 2015

Marching to March updates! Here's what we've done to make our Magento extensions better.

Full Page Cache 1.4.1

- New cache regeneration settings: possibility to reset page lifetime; possibility to specify crawler action when visiting already cached page

A screenshot of the 'Cache Regeneration' settings panel. It contains two dropdown menus. The first is 'Reset Page Lifetime When It Visited By Customer' with 'Yes' selected. The second is 'Crawler Action' with a dropdown menu open showing 'None', 'Regenerate cache lifetime' (highlighted), and 'Re-crawl page'.

- When an item is purchased now it's possible to flush only product page cache, ignoring category and related product pages

A screenshot of the 'Product' settings panel. It contains a dropdown menu for 'Flush Product Page Cache After Each Purchase' with 'Flush only product page' selected. Other options visible are 'No' and 'Also flush associated pages'.

- Possibility to cache AJAX requests of Improved Layered Navigation and AJAX Scroll extensions – dramatically improves their speed
- Minor fixes and improvements

Improved Layered Navigation 2.7.1

- Multi store support for titles and descriptions at Improved Navigation
-> Filters -> Values

[ngg_images gallery_ids="2" display_type="photocrati-nextgen_basic_thumbnails"]

- Built in popular Ultimo theme support
- Fixed XSS vulnerability in the price variable
- Define a step size for price sliders and other numeric attributes sliders

Show Price As	Slider
Indicate maximum ranges on slider	Yes
Slider step	1

Admin Actions Log 1.4.0

- ‘History of Changes’ tab on product edit page, order view page and customer edit page with ACL (access control list) support
