

Magento 2 Automatic Related Products – new Amasty extension

[Alina Bragina](#) Feb 5, 2018

We are pleased to inform you about our new Magento 2 extension – [Automatic Related Product](#).

Increase an average order value by offering customers relevant products on a particular product or shopping cart pages. Show various related products based on store views or customer purchases. Apply flexible conditions to control product display.

NEW MAGENTO 2 EXTENSIONS

AUTOMATIC RELATED PRODUCTS

Useful for: **PRODUCT PAGE IMPROVEMENT**

Features:

- Intelligent algorithms for automatic product relation
- Use flexible conditions to regulate items display
- Display related items based on views or purchases
- Hide out of stock products
- Replace manually related products with automatic results

With the Automatic Related Products extension for Magento 2, you can display additional blocks with related, cross-selling and up-selling items based on real customer behavior. Fine-tune related products blocks to show the items people are more likely to buy using the smart algorithm or manual adjustments. Start cross-selling or upselling for more sales right now!

MAGENTO 2 AUTOMATIC RELATED PRODUCTS:

- Replace manually added products with **automatically specified related items, cross-sells, up-sells** to display them on a product page. Create specific rules for products relation;
- **Configure related products and up-selling products display** coming from the indicated parameters. E.g.: maximum product count, data source, others;
- **Show cross-selling products on a cart page** to motivate more spontaneous purchases;
- **Define settings for the products automatic display:** choose time period for stats data gathering;

- **Show cross-sells, up-sells and related products in detached tabs** based on customer behavior, store views or purchases;
- **Hide out of stock products;**
- Select whether to **display products from any category or from the category with chosen items;**
- **Set a [Magento 2 price filter](#)** for up-sells and related products block.
