NEW AMASTY EXTENSIONS

EXTRA FEE

USEFUL FOR: INCREASING ORDER VALUE

FEATURES:

- CREATE NUMEROUS FEES FOR EXTRA SERVICES
- CONFIGURE FEES BASED ON PAYMENT AND SHIPPING METHODS
- PLACE FEE OPTIONS TO CHECKOUT AND CART PAGES
- SPECIFY FLEXIBLE CONDITION SETTINGS FOR FEES DISPLAY
- USE DIFFERENT INPUT TYPES

Why do you need this extension?

Sometimes you need to offer even more paid services to your customers and charge additional fees for them. For example, you can offer additional setup for those who buy electronic devices, charge a fee for the same day shipping, offer additional packaging options or add an extra charge for shipping via a certain delivery service.

Magento Extra Fee lets you implement any additional fees on checkout, raise your check and offer even more services for the buyers.

Main Features

Add extra fees option on cart and checkout pages of your Magento store

Use Magento Extra Fee for providing:

- gift wrapping and cards

- extra charges for shipping (for example, rush shipping, same day shipping, charges for using an unpopular shipping service, shipping of a cart with high total weight)
- additional taxes for particular products (using conditions with product attributes)
- additional services (tuning the software, installing certain additional parts. etc)
- insurance fees
