

Meet Magento Argentina 2015: a special offer for Amasty blog readers

[Ksenia Dobreva](#) Nov 11, 2015

Buenos Aires is approximately a 20 hours flight from Minsk, but it doesn't mean we won't support our community friends! [Meet Magento Argentina](#) is scheduled for December 3rd.

Here are some facts about this Meet Magento event:

- this is the first Meet Magento Argentina conference
- Expected number of attendees is 150-200
- the event is organized by [Summa Solutions](#), an Argentinian software development company specialized in e-commerce using state of the art technologies, which can boast of partnership with Magento, backed up by +50 successful projects delivered in Latin America, USA, Europe and Australia.

Speakers and agenda

The agenda consists of speeches from such well-known guys as Ben Marks (Magento), Guido Jansen (UserLegion), Thomas Goletz (nr-apps.com), and also from local Magento and business specialists.

The attendees will be able to hear presentations about Magento 2, email marketing, omnichannel in e-commerce, divided into two speaker tracks. Panel discussions about UX, digital marketing and logistics are also on the agenda. Please see the list of speeches on [Meet Magento Argentina website](#).

Location

The [Meliá Buenos Aires](#) hotel is in the heart of the city, not far from the shore and the main local landmarks. It has a fully-equipped event center for your to feel comfortable during the conference.
