Meet Magento Belarus 2014 Recap

Ksenia Dobreva Oct 27, 2014

October 15th was a big day for Amasty team, and we really hope it was so for all those people who came to Minsk to participate in Meet Magento Belarus 2014. It was an honor for Amasty to contribute to the wonderful Magento community and organize this event.

First of all, here are just a few shots for you to catch the atmosphere of the event.
You can see more pics in our Facebook album here and even tag yourself if you’ve visited! And don’t forget to like Amasty on Facebook to get the latest Magento news and articles right away.

**Agenda**

We had a lot of speeches suggested for the event, and as the time was limited, we were to choose only the best presentations. Please meet the speakers right now! Here are the pics, slides and tweets just as it was on the event:

“**What makes Magento special and why Meet Magento community is important**” Thomas Fleck – Netresearch App Factory AG (Germany)
Belarus was just called the capital of #Magento extensions #mm14by
