

Meet Magento Germany and Hackathon: details

[Ksenia Dobрева](#) Apr 16, 2015

One of the biggest Meet Magento events in the world is approaching. Are you going to visit it?

Meet Magento Association

There is some great news on Meet Magento events: in the future these activities will be bundled under the umbrella of “Meet Magento Association”.

The “Meet Magento Association” is an independent, non-profit organization that helps traders to succeed in e-commerce. As contact for eBay Inc., the quality assurance and support of traders in e-commerce will be a central concern for the Association.
