

New Magento extension – Product Attachments

[Alena Dalidovich](#) Sep 18, 2013

Want to provide customers with additional instructions or vivid usage examples? Need to attach guarantees, agreements, product presentations, or even certificates to your Magento products? Now you can easily enrich your store content with the new [Magento Product Attachments module](#).

Provide customers with comprehensive information about products, such as user guides, warranties and so on, using attachment functionality. Let Product Pages sell more!

NEW AMASTY EXTENSIONS

PRODUCT ATTACHMENTS

USEFUL FOR: PRODUCT PRESENTATION

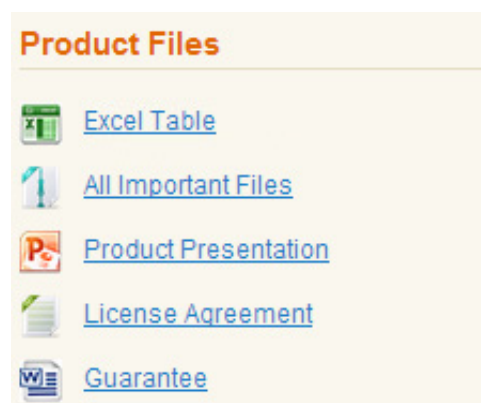

FEATURES:

- AMAZING HTML5/AJAX FILE UPLOAD WITH DRAG AND DROP
- UNLIMITED NUMBER OF FILES AND VARIOUS FILE TYPES
- DOWNLOAD STATS REPORTS
- COMPLETE MULTI-STORE SUPPORT
- ICONS FOR EACH FILE TYPE TO MAKE PAGES MORE ATTRACTIVE

Main features:

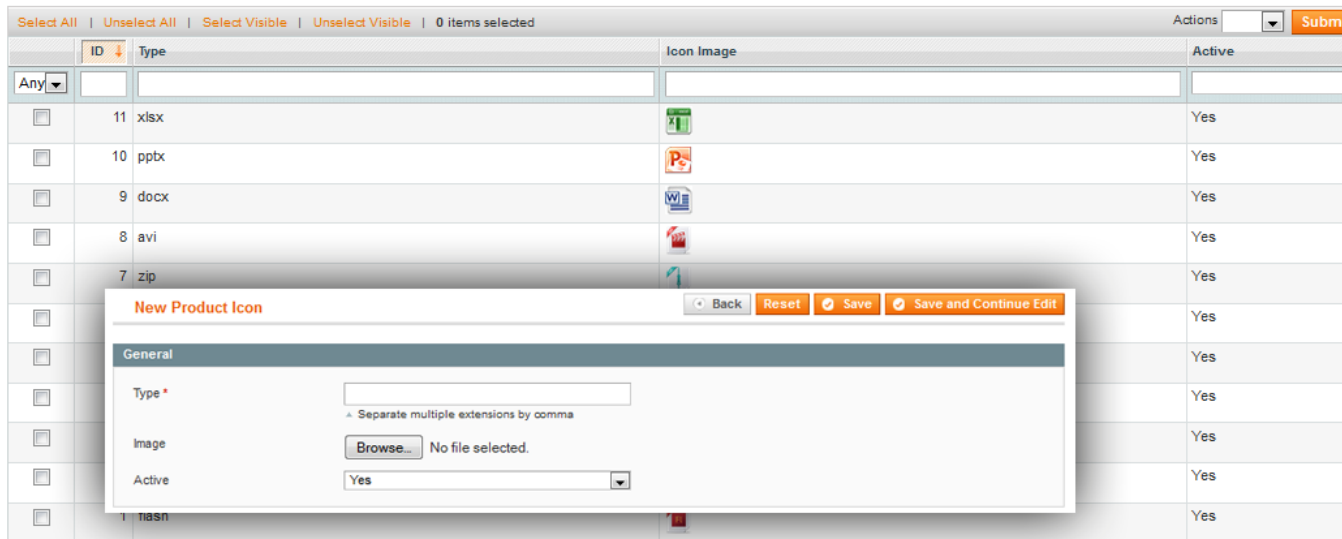

1. Upload product attachments and display them on your Magento store

Use drag-and-drop for fast upload and configure settings for product files display.

2. Display custom icons for attachments or use default ones

Choose default icons or add new ones to show the file type to the customer.

3. See and analyze product attachments report

See which product files people actually download and how often; this helps you to adjust your strategy and upload file attachments people really need.

Period	Product ID	Product Name	File Name	Default File Label	File Url	File Rating
May 4, 2014	No records found for this period.					
May 5, 2014	6	Kindle Fire HD Tablet	License Agreement.txt		(1)licenseagreement.txt	6
	6	Kindle Fire HD Tablet	License Agreement.txt		billing.png	1
	6	Kindle Fire HD Tablet	f2daded4bb5987ac042b686ec01136f2.jpg		f2daded4bb5987ac042b686ec01136f2.jpg	2
	6	Kindle Fire HD Tablet	gettingStarted-KindleFire.pdf	Getting Started PDF	gettingstarted-kindlefire.pdf	1
	6	Kindle Fire HD Tablet	shipping_method.png		shipping_method.png	2

4. Make use of numerous settings for files upload and display

- Upload unlimited number of files of various types, including PDF, DOCX, PPTX, XSLX, flash, ini, JPG, MP3, ZIP, AVI, and more
- Upload Magento product attachment files from the product grid to save time

Select All Unselect All Select Visible Unselect Visible 0 items selected											Actions <input type="text"/> <input type="button" value="Submit"/>	
ID	Name	Type	Attrib. Set Name	SKU	Price	Qty	Visibility	Status	Websites	Product Attachments	Action	
Any	From: <input type="text"/> To: <input type="text"/>				From: <input type="text"/> To: <input type="text"/> In: <input type="text"/>							
<input type="checkbox"/>	6 Kindle Fire HD Tablet	Simple Product	Default	kindle	\$150.00	100	Catalog, Search	Enabled	Main Website	Click or drop files here	Edit	
<input type="checkbox"/>	5 Samsung Ace 2	Simple Product	Default	samsung	\$200.00	1000	Catalog, Search	Enabled	Main Website	Click or drop files here	Edit	

- Hide or open files for customers' visibility when needed and sort files you added to Magento products

Kindle Fire HD Tablet (Default)

Upload Files

Click or drop files here

Title	File Name	<input type="radio"/> File Url	<input checked="" type="radio"/> Upload File	Sort Order	Visible	<input type="button" value="Delete File"/>
High Resolution Image	kindle-high-q.jpg High Resolution Image	<input type="text"/>	Click or drop files here	10	Yes	
Getting Started PDF	gettingStarted-KindleFire.pdf Getting Started PDF	<input type="text"/>	Click or drop files here	20	No	

- Improve customer experience with the Autodetect File option

This feature enables customers to open attached files right in the browser window instead of downloading them. Apart from that each file will be automatically opened in a new tab.

- Mass copy or remove attachment files from the product grid – no need to add or delete the same files from all of your products manually

Actions	Copy Attachments	Source Product Id				Submit
Qty	Delete	Status	Websites	Product Attachments	Action	
From:	Change status					
To :	Remove All Attachments					
	Copy Attachments
