The screenshot shows a 'Quick View' window for a 'Juno Jacket'. The main image shows a woman wearing a purple quilted jacket with a green zipper. Below it are three smaller images showing different views of the jacket. To the right, the product name 'Juno Jacket' is displayed with a 4-star rating and '3 Reviews'. The price is '\$77.00' and it is 'IN STOCK' with SKU# WJ06. There are dropdown menus for 'Color' and 'Size', both currently set to 'Choose an Option...'. A quantity selector is set to '1'. A blue 'Add to Cart' button is prominent. Below the button are 'COMPARE' and 'EMAIL' options. A green callout bubble points to the 'Add to Cart' button with the text: 'Add products to cart or to a comparison list right from the Quick View pop-up window.' At the bottom, there are tabs for 'Details', 'More Information', and 'Reviews (3)'. The 'Style' section lists: 'Insulated, Jacket, Heavy Duty, Hard Shell, Full Zip, Reversible'.
