

Magento 2 Shipping Table Rates

[Ksenia Dobрева](#) Jun 16, 2016

Please meet the new Magento 2 extension from Amasty – [Shipping Table Rates](#).

Create an unlimited number of flexible shipping methods with individual rates. Use combinations of a destination address, cart weight, order subtotal and price to accurately calculate shipping.

A banner with a dark grey background. At the top, the text 'NEW MAGENTO 2 EXTENSIONS' is written in white, uppercase letters. Below this, there is a horizontal line. On the left, there is a green square containing a white icon of a document with a grid and a globe. To the right of the icon, the text 'SHIPPING TABLE RATES' is written in white, uppercase letters. Below this, the text 'USEFUL FOR: SHIPPING' is written in white, uppercase letters. Finally, the text 'FEATURES:' is written in white, uppercase letters, followed by a list of five features in white, lowercase letters.

NEW MAGENTO 2 EXTENSIONS

SHIPPING TABLE RATES

USEFUL FOR: SHIPPING

FEATURES:

- Generate multiple custom shipping methods
- Create specific rates for any product or a product group
- Quickly import table rates or edit them manually
- Show estimated delivery time for each shipping method
- Display comments and images on product and checkout pages

To make your shipping process effective it's needed to create a highly flexible system of table rates. This tool helps you generate an unlimited number of shipping methods with flat and percent rates based on delivery address, cart weight and products quantity.

Main Magento 2 Shipping Table Rates features

- Use percent or flat rates, or even rate combinations
- Assign shipping rates to specific products and product groups
- Display estimated delivery dates
- Calculate rates based on a destination address, order subtotal, weight and price
- Display maximal/minimal rate for items with different shipping types
- Advanced options for managing your shipping rates: comments and pics for showing on cart for various shipping methods, manual editing of shipping table rates, and more
