[Ksenia Dobрева](#) Mar 17, 2016

Please meet Magento 2 new extension by Amasty – [Special Promotions](#).

Unlock 16 additional discount actions with the Special Promotions extension for Magento 2. Run promotions based on the cheapest and most expensive products, quantity steps, spent amount, and more. Offer fixed and percentage discounts, as well as free items to capture customers' attention.

NEW MAGENTO 2 EXTENSIONS

SPECIAL PROMOTIONS

Useful for: PROMOTIONS

Features:

- Create promotions for cheapest and most expensive products
- Offer deals with free items
- Set fixed and percent discounts
- Create specials with quantity steps
- Run promotions based on spent amount

The Special Promotions extension gives you 16 more rules to diversify promotion campaigns. It allows for the flexible combining of promotion conditions to lure customers with exclusive offers and increase sales. Fine-tune promotion conditions by combining rules and skipping items – and find a ruleset that will maximize your campaign ROI.

MAGENTO 2 SPECIAL PROMOTIONS EXTENSION FEATURES:

- **Create** various **discount combinations** with the cheapest and most expensive items;
- Run **quantity step based promotions** – with fixed or percentage discounts;
- Configure promotions like ‘Buy 4 or 5 items for full price and **get each extra** item for \$50 or with 20% (\$20) discount’;
- **Create conditions** for promotions using Cart attributes (subtotal, shipping method, payment method, etc.) and Product attributes (price, category, gender, etc.);
- Use **custom product options** to apply promotions only to products

with certain attributes;

- Create promotions related to the **amount spent**.
