[Ksenia Dobрева](#) Aug 25, 2016

Please meet the new free extension from Amasty – [Magento Zero Product Sales](#).

**Add a special ‘Zero Sales’ report to find out which of your store items are not selling. Sort products by type, status, price and other parameters to keep track of all zero sellers. Modify special price right on the grid to improve your marketing strategy and boost profits.**

# ZERO PRODUCT SALES

**FREE**

ADD A SPECIAL 'ZERO SALES' REPORT TO FIND OUT WHICH OF YOUR STORE ITEMS ARE NOT SELLING. SORT PRODUCTS BY TYPE, STATUS, PRICE AND OTHER PARAMETERS TO KEEP TRACK OF ALL ZERO SELLERS.

## USEFUL FOR: STOCK MANAGEMENT

### FEATURES:

- EASILY DETECT ZERO-SELLERS AND LOW-PERFORMANCE ITEMS
- GENERATE REPORTS WITHIN SPECIFIED TIME PERIOD
- EXPORT REPORTS DATA TO CSV AND XML FILES
- DISABLE PARTICULAR PRODUCTS RIGHT FROM THE GRID

*No more ballast stock! This free Magento extension lets you instantly know which items weren't bought at all. Now you don't have to look for this data manually. This module will be useful for absolutely any Magento shop.*

## Main Magento Zero Product Sales features

- Figure out outsider items fast and easy
- Generate automatic zero sellers reports and export data from them
- Mass change special prices to start selling outsiders right away
