

Magento 2 Visual Merchandiser – new Amasty extension

[Darya Yermashkevich](#) Oct 16, 2018

We are happy to present you our new Magento 2 extension – [Visual Merchandiser](#).

Unlock quick and easy catalog customization with drag-and-drop actions. Create flexible landings to be relevant to different customer groups. Draw shoppers' attention to star products and put unavailable items to the bottom. Get 6 quick sorting options.

VISUAL MERCHANDISER

Useful for:

CATALOG MANAGEMENT

Features:

- Drag-and-drop sorting
- Multiple ordering options
- Rules & Conditions
- Virtual Categories

Done with time-consuming and complex Magento 2 catalog configurations? With Visual Merchandiser, you can save time on customizing your product listings and make the whole process intuitive.

The extension allows you to sort products from the catalog page view, so you can see all the changes the moment you make them. All you need to tweak your product listing in a few minutes is to turn on the Manual Sorting mode. As you create several landings, don't worry about accurate indexing: the extension takes this into account as well.

MAGENTO 2 VISUAL MERCHANDISER FEATURES:

- **Organize catalog products via drag-and-drop** to quickly put products in the right places;
- **Move products to the top** of the list in one click using the product container link;
- **Pin products** to particular places to make sure your bestsellers always attract shoppers' attention;

- **Use 6 sorting options** to arrange items in a product listing (name (ascending/descending), price (ascending/descending), stock availability, newest first);
- **Enable price-based sorting** in the descending or ascending mode to optimize the sales of your products;
- **Show out-of-stock items at the end** of the list to generate customers' interest in the items you have;
- **Apply attribute-based conditions** to deal with groups of products without manually assigning them to categories.
- **Create virtual categories** with automatic product refreshment. Configure **conditions based on the attributes** to show the needed products only.

Products Merchandising

Sort Order: Price: Descending Sort

- None
- Move out of stock to bottom
- Newest products first
- Name: Ascending
- Name: Descending
- Price: Ascending
- Price: Descending

Automatically sort the products by name, price, or push the newest forward and out-of-stock backward.
