MAGENTO 2 EXTENSIONS UPDATES

AMP 1.3.3

- **NEW** now the product Qty indicator remains visible in the mini cart until it is empty.

The screenshot shows a mobile product page for a 'Flying V Guitar'. At the top, there is a navigation bar with a hamburger menu icon, the word 'STORE', a search icon, and a shopping cart icon. Below the navigation bar, there is a back arrow on the left and a heart icon on the right. The main image area features a red Flying V guitar with left and right arrow navigation buttons. Below the image, the product name 'Flying V Guitar' is displayed, followed by a 4.5-star rating (5 stars shown, 4.5 average) and '3 reviews'. To the right of the name, it says 'IN STOCK' and 'SKU: # MH12'. Below the name, there are color selection options (red, black, blue) and a quantity selector set to '1'. The price '\$1699.89' is shown below the color options. At the bottom, there is a blue 'ADD TO CART' button, and two expandable sections for 'Details' and 'Reviews'.
