

MAGENTO EXTENSIONS UPDATES – APRIL 2021

Posted by Polina Kratovich | Apr 30, 2021 | Extensions Updates | 16

April was a highly productive month. We've released big updates for our Jet Theme, Google Rich Snippets, and Automatic Related Products extensions with a bunch of new features. Moreover, some of our PWA add-ons are now compatible with Magento PWA Studio 10.0.0 version. Check out what's new in YOUR Magento extension, and don't forget to visit our promo program for new deals.

How to get the updates?

MAGENTO 2 EXTENSIONS UPDATES

ADVANCED SEARCH 1.17.3

- **NEW** Now, you can apply Relevance Rules to autocomplete search popup.
- We enhanced compatibility with the Magento Shared Catalog feature.

AUTOMATIC RELATED PRODUCTS 2.11.0

- **NEW** We've developed a new discount type for Bundle Packs. Now, you can set a conditional discount that depends on the quantity of Bundle Pack items the customer adds to the shopping cart:

Conditional Discounts

Number of Individual Bundle Items *	Bundle Discount Amount, % *
<input type="text" value="5"/>	<input type="text" value="10"/>

Add Discount Option

- **NEW** We added the sales statistics for Bundle Packs:

Bundle Packs

Add New Pack

ID	Pack Name	Status	Main Products	Bundle Pack Products	Discount Type	Discount Amount	Created At	Action	Store View	Qty Ordered
1	Best Pack	ACTIVE	Joust Duffle Bag, Strive Shoulder Pack	Compete Track Tote, Chaz Kangaroo Hoodie	Fixed	10	Feb 19, 2019 8:44:21 AM	Select	All Store Views	0
2	Popular pack	ACTIVE	Caesar Warm-Up Pant, Kratos Gym Pant	Chaz Kangaroo Hoodie, Aero Daily Fitness Tee, Ryker LumaTech™ Tee (V-neck)	Percentage	15	Mar 14, 2019 7:21:50 AM	Select	All Store Views	4
3	Premium pack	ACTIVE	Kratos Gym Pant	Aim Analog Watch, Deion Long-Sleeve EverCool™ Tee	Fixed	15	Mar 14, 2019 7:39:58 AM	Select	All Store Views	2
4	3 T-shirts with 35% off	ACTIVE	Gobi HeatTec® Tee, Atomic Endurance Running Tee (Crew-Neck), Zoltan Gym Tee, Aero Daily Fitness Tee, Ryker LumaTech™ Tee (V-neck)	Ryker LumaTech™ Tee (Crew-neck), Balboa Persistence Tee	Percentage	35	Mar 15, 2019 8:02:13 AM	Select	All Store Views	3

- **NEW** Now, you can apply the discount only if items were added from the special Bundle Pack block. In this case, items added to the cart separately, e.g. from their product pages, won't be associated with any bundle pack.

BANNER SLIDER 1.2.0

- **NEW** We implemented the built-in lazy load functionality. Now, you can enable/disable the lazy load of the first banner if needed.
- **NEW** Now, the resize feature supports separate settings for mobile devices and is applicable for retina screens. The extension detects the type of screen and device automatically and displays the appropriate image version.

COOKIE CONSENT (GDPR) 2.6.0

- **NEW** We developed JavaScript and PHP APIs to let you block cookies added on your frontend by the JS component.

- We enhanced the work of a cookie banner. Now, when you update cookies or cookie groups, the banner reappears with the right information.

ELASTIC SEARCH 1.13.0

- **NEW** Now, you can set Relevance Rules to work in autocomplete search popup.
- **NEW** Preview products to which a Relevance Rule will be applied.
- Now Relevance Rules data is indexed by Elastic.

EXPORT CUSTOMERS 1.4.0, EXPORT ORDERS 1.5.0, EXPORT PRODUCTS 1.4.0

- **NEW** We've added a drag-and-drop feature, so now you can move fields within entities and export them in the order you need.

FAQ AND PRODUCT QUESTIONS 2.9.0

- **NEW** We've added a new type of questions rating. Now, you can show the average rating of questions to your customers.
- In the new version, you can enable rating for registered customers only.

GOOGLE RICH SNIPPETS 1.5.0

- **NEW** Now, you can choose the product condition for the itemCondition property.
- **NEW** We added the possibility to choose the rating format (either percent or numeric) to be used in the product snippet.
- **NEW** In the new version, you can add the streetAddress to the organization's rich data.
- **NEW** The extension now allows you to set a default value for the priceValidUntil snippet and avoid warnings if a special price end date is missing.
- If a parent (configurable or grouped) product is a list of the associated products, the extension considers the visibility criterion and replaces invisible links of the child products with visible parent links.
- Now, the breadcrumb list includes the current category.

JET THEME 1.9.0

- **NEW** Now, you can customize our theme on your website using the Layout Switcher feature.
- We added the new tooltips to the Color Scheme settings.

- We enhanced the display of our Color Scheme Presets.

PRODUCT LABELS 2.1.0

- **NEW** Now, you can modify tooltip text with HTML.
- Now, labels are displayed on the Magento Recently Viewed widget.
- We implemented the performance enhancement for the interaction with composite products.

PWA STUDIO 10.0.0 SUPPORT

We continue upgrading our PWA add-ons to make them compatible with the latest version of Magento PWA Studio.

Important note: Please pay attention that the lower versions of PWA Studio are no longer supported!

- **PWA for Advanced Product Reviews (Add-On)**
- **PWA for Blog Pro (Add-On)**
- **PWA for Custom Form (Add-On)**
- **PWA for Elastic Search (Add-On)**

RMA 2.4.0

- Now, your customers can request returns right from the order grid at the customer account.
- In the new version, when a new order is created via the RMA request, you may return to this request in one click via the **Back to Return** button.

SEO TOOLKIT 1.20.0

- **NEW** The Rich Snippets part of the suite includes new functionality. Now, you can set product conditions and choose a format of rating, assign the default value for the priceValidUntil, specify the street address of your organization. We also improved the compliance with Google guidelines.
- **NEW** Now, you can configure canonical links and robots for CMS pages.
