For more details see the Facebook Reviews extension page.

## **Guide for Facebook Reviews**

Attract user-generated content to your Facebook pages. Gain more credibility and engage more customers.

- Display Facebook reviews on the product page
- Involve customers in your social activity
- Customize the reviews block

To get the access to the 'AJAX Reviews' settings please go to: **System** → **Configuration** → **Facebook Reviews** 

## **Facebook Settings**

#### **Facebook Reviews**

General Settings		٥
Facebook AppID		[STORE VIEW]
	<ul> <li>Get at http://www.facebook.com/developers /createapp.php</li> </ul>	
Review Title	Custom Title	[STORE VIEW]
	Leave empty to use the product page title	
Reviews per Page	10	[STORE VIEW]
Chronological order	Yes	[STORE VIEW]
Display Options		۵
Block Width (px)	632	[STORE VIEW]
No default styles	No	[STORE VIEW]
Custom CSS	/skin/frontend/default/default/css/amfbreview.css	[STORE VIEW]

**Facebook AppID** - a Facebook App ID is a unique number that identifies your app when you request ads from Audience Network. Create a Facebook App first: <a href="https://developers.facebook.com/">https://developers.facebook.com/</a>. Then you

### amasty

get an AppID, which you need to insert into this field.

**Review Title** - specify the title, for example, Facebook Reviews:

Δ	One more review				
/m_	Post to Faceboo	ok	Posting as Amasty (Change)	Comment	
A	<b>Amasty</b> Nice laptop! Reply + Like + Unfo	<b>llow Post</b> ' 2 seconds ago			
F Facebook	: social plugin				
'ou may	also be intere	sted in the followin	g product(s)		
'ou may	also be intere	sted in the followin	g product(s)		
(ou may	also be intere	sted in the followin	g product(s)		
(ou may	also be intere	sted in the followin	g product(s)		

**Reviews per Page** - specify how many reviews will be displayed on the product page.

Chronological Order - set 'Yes' to show the latest reviews first.

## **Display Options**

Block width (px) - specify the width for the reviews block.

No default styles - select 'No' to set the default style of the reviews block.

**Custom CSS** - insert here a path to the file to set your own custom style.
