Admin Notification Email	owner@example.com	[GLOBAL]
Limit Emails by Product Qty	Yes	[WEBSITE]
▲ Note! Emails will be sent once a day		

To use configurable product image for simple product subscriptions on account page, enable the **Use Configurable Image** feature.

**Greeting Text for Email** - Specify the greeting text intro for out-of-stock notification emails for unregistered users.

**Minimum Stock Quantity** - Choose minimum stock quantity, when the out-of-stock email should be triggered.

**Send Email To Admin** - Receive daily emails with a list of product alerts to which customers have subscribed.

**Limit Emails by Product Qty** - Limit number of e-mails sent based on the quantity of products back in stock. *For example, if there are 100 customers subscribed to one product, and there are 5 items in stock - the module will send out only 5 notifications.*

Make sure your Magento store is [GDPR](#) ready.

## GDPR Compliance

**Enabled** — choose **Yes** to enable the GDPR consent for customers who are trying to subscribe for notifications;

**Consent text** — specify the consent text, including the link to the privacy policy page.
