3. Product options on category page

Customers can select configurable products and custom options right on the category page, without going to the product details page.

The screenshot shows a modal dialog titled "Select Options" overlaid on a product grid. The dialog contains the following elements:

- *Size**: A dropdown menu with "Medium" selected.
- *Color**: A dropdown menu with "Green" selected.
- \$18.75**: The price for the selected configuration.
- Add to cart**: A blue button to add the selected configuration to the cart.
- Cancel**: A grey button to close the dialog.

The background shows a grid of product cards with prices and "Add to Cart" buttons. The top-left card has a price of \$15.00. The top-right card has a price of \$22.00 and a link "As low as: \$18.00". The bottom-left card has a price of \$18.75 and a link "As low as: \$9.50".
