Promotions

At 'Categories' tab please specify the categories to which the rule should be applied.

The rule will exclude the categories you've chosen from the navigation menu.

Product Conditions

Conditions

If ANY of these conditions are TRUE :

SKU is one of wj01, wj06, WJ11 

If ANY of these conditions are TRUE : 

Color is Red 

At 'Product Conditions' tab you can choose the products to which the rule will be applied.

Additional filtering options

Actions

In 'Forbid Action' section you can choose the actions that will be applied to the products and categories you've selected before.

Display Options

Hide Category

If this option is set to "Yes", links to all categories, chosen at 'Categories' tab will be removed from the menu for the specified customer groups.

Hide Product

 

If this option is turned to "Yes", all links to product pages you've previously ticked in the 'Product conditions' tab will be removed from the store. E.g. customers won't see the product items at category lists, in the list of products, etc.

Hide Price

 

Hide "Add to cart" button

Restriction Action

Allow Direct Links

If this feature is set to "Yes", customers will be able to visit restricted product pages using the direct links to them.

Restriction Action

Allow Direct Links

 ▼

Set this option to “No” in case you want to redirect customer to CMS-pages instead of using direct links.
