1. Duplicate Categories Button

You will find 'Duplicate Category' button when editing a Category: Catalog > Manage Categories. Click it, if you would like to duplicate the category.

The screenshot displays the Amasty CMS interface. At the top, a navigation bar includes 'Dashboard', 'Sales', 'Catalog' (highlighted), 'Mobile', 'Customers', 'Promotions', 'Newsletter', 'CMS', 'Reports', 'System', and a 'Get help for this page' link. On the left sidebar, under 'Categories', there are buttons for 'Add Root Category' and 'Add Subcategory', a 'Choose Store View' dropdown set to 'All Store Views', and a tree view showing 'Root Catalog (0)', 'Furniture (6)', 'Electronics (42)', 'Apparel (66)', and 'Household Items (0)'. The main content area is titled 'Furniture (ID: 10)' and features four action buttons: 'Reset', 'Delete Category', 'Duplicate Category', and 'Save Category'. Below these are tabs for 'General Information', 'Display Settings', 'Custom Design', and 'Category Products'. The 'General Information' tab is active, showing a form with fields for 'Name *' (containing 'Furniture'), 'Description', and 'Image'. The 'Name' field has a '[STORE VIEW]' label. The 'Description' field is a large text area with a '[STORE VIEW]' label. Below the description is a 'WYSIWYG Editor' button. The 'Image' field includes a 'Browse...' button, the text 'No file selected.', and a 'Delete Image' checkbox, with a '[STORE VIEW]' label on the right.
