Click here to save the role after creation. Now the role can be assigned to any admin user you need.
When the 'Set edit Lock' option is disabled for a particular admin user, the pages being edited by such an admin won't be locked for other administrators.

[STORE VIEW]
Edit Lock Maximum Lifetime, minutes
30
[STORE VIEW]
To enable the extension please go to System -> Configuration -> Edit Lock
Set the maximal time for lock duration. For example, if you specify 30 minutes, the page will be unavailable for editing within the set time period since the first admin user started working on it.

103 Milo Vitti milo@example.com
When the page is being edited it becomes locked for other admin users. See the example of a lock icon on the customer grid.
NOTE: The lock option works for the following pages:
• Products
• Customers
• Product Attributes
• Shopping cart price rules
• CMS pages
• CMS blocks
