Error Message
Sorry, we don't ship to your country

If you would like to limit only certain shipping methods, please do not select any carriers. Instead, specify the shipping methods to restrict here. Moreover, in this field you can specify which particular method for which particular carrier you want to restrict - carrier::method.

Please select Shipping Carriers, which you would like to block with this rule. The restriction rule will apply to all methods of the selected shipping carriers.

You can specify the error message, which is displayed to customers when no shipping methods are available. NOTE: In case you have enabled methods that are not restricted for a particular rule, this message won't be displayed to a customer.
